

Student Supervisor Application a/o 3/4/07

What is your estimated date of leaving Northern Michigan University?

Why do you want/deserve to be a student supervisor?

Could you handle-

-being an authority figure (discipline for a caller scenario)?

-being a problem solver (equipment breakdown)?

-working under stress (angry alumni scenario)?

What are your feelings on attendance and reliability in a caller and a supervisor? If you've had an attendance problem in the past, what measures will you take to overcome it as a student supervisor?

How flexible is your schedule? (e.g., staying late on nights you are calling to help wrap up)

Do you have the ability to work independently?

Do you feel you could handle the hiring and training process?
