Please check off the top three choices where you would like to work (we may need you in other areas depending on responses). If you do not have a preference of where you work, please let us know the day and time you can work. If you are willing to work more than one shift, let us know!

Volunteers do have the option of enjoying a free meal. See your crew leader for a pass. Keep in mind we REALLY need dishwashers at all times. If you have experience handling an industrial dishwasher, we would appreciate your help in this area. Thanks again!
