Bill Miller

Native American Folk

Miller leverages his heritage, faith and life's journey to build bridges and bonds – through his music, visual artistry, and healing lectures – that are too vital to be broken and too profound to be forgotten. A two-time Grammy Award winner and seven-time winner of the Native American Music Award, Miller has achieved a level of artistry and humanitarian activism that includes work as a singer, songwriter, master flute player, composer, master concerto soloist, visual artist and healing lecturer.
