- .....
1. Please attach another sheet of paper with a short essay (at least 100 words) on why you would want to attend the 2009 STEM at Camp Nesbit and NMU. Please read the information on the camp program so you know what will happen during the session. Please include information on other school or Indian education programs you have attended, any special achievements, and how this camp might help you in school and with any life goals.
  2. Please attach one letter of recommendation from an adult, not related to you, about why they think you should attend the camp and will benefit from it.
  3. Students are accepted on the basis of their essays, recommendations, and space availability. In the event you are accepted, you will be expected to sign a statement saying that you will participate fully in all activities, and parents/guardians will have to complete and sign health forms and permissions for all camp activities.
