

Boudeman Cup  
Western Michigan University  
10/17-18/09

## FINAL RESULTS

Saturday: We started sailing Saturday morning around 10:15. It was partly cloudy skies throughout the day. The wind was blowing about 10 knots with gust up to 13-14 knots. The wind continued to switch about 30 degrees between North and Northeast. Two full rotations were completed, and then lunch was served. Sailors were served hamburgers, chips, grapes, and carrots. Two more rotations were completed in the afternoon. Windward leeward courses were used with each race consisting of two laps around.

Sunday: When arriving Sunday morning, we met frost on the grass and boats. Gull Lake was filled with fog and no wind. We raised the protest flag at 9:30, but the wind never filled in. No races were completed.

In conclusion: 4 complete rotations were completed with competitive winds. No protests were filed. The regatta was a complete success with all WMU team, family, and GLYC members helping out throughout the weekend. Thank you to all sailors who made the trip to Kalamazoo for a great weekend. We look forward to hosting everyone again next year!

Boudeman Regatta  
Western Michigan  
October 17-18, 2009

## REGATTA HIGHLIGHTS:

A division = 8 Races

B division = 8 Races
